Dear Steve:

It gives me great pleasure to present to you our 2009-2010 Annual Report. At the OCTC Foundation, we are proud to be associated with **you** – proud also to note your contribution during the past year in our list of donors.

In 2009-2010, over 3,600 children and youth were served at OCTC. Many of them enjoyed recreation and leisure, music therapy, used new equipment, had access to transportation and benefited from research funded by you and other donors.

I sincerely hope that you will continue your assistance this year! Please contact me any time for a visit or for any other reason. (613-738-4336)

On behalf of these children, thank you again for your generous and enthusiastic support for the work of the Ottawa Children's Treatment Centre Foundation.

*Patricia Shapiro*

*Thanks, Steve!*
